INDIAN INNOVATIONS AND ENTREPRENEURSHIP DEVELOPMENT CENTRE

The prime objective of establishing the Indian Innovations and Entrepreneurship Development Centre is to create entrepreneurs bestowed with skill sets that are required to face the global market. Acquiring formal education cannot curb unemployment problems. Hence entrepreneur centers the limelight on the need for entrepreneurs and creates awareness among students to become an employer instead of running after jobs. Initiation of entrepreneurship centers is a step ahead which may achieve a giant leap in the future. Centers like this have multifaceted benefits that are by putting an end to the unemployment problem in the nation, making an individual self-employed, and paving platforms for more job avenues. Thus the Indian Innovations Entrepreneurship Development Centre has set forth an objective of producing efficiently skilled entrepreneur while acquiring formal education.

VISION: To curb unemployment through educated skilled entrepreneurs.

MISSION: To enhance and hone the skill sets required to become an entrepreneur.
